Buckden Comments

<p>This has been our family practice for 46 years; we have always had excellent treatment from all the staff. I personally think this is the best practice in the area.</p>	<p>The doctors, nurses and staff are excellent. The pharmacy is also excellent and gives a wonderful service. Appointments are very easy to obtain via the excellent receptionists. All in all the best surgery I have ever attended.</p>
<p>Saw GP 11:40 had X-Ray same day. Results 24 hours. Treatment same day. Beat that if you can.</p>	<p>Always received excellent treatment.</p>
<p>Pleasant welcome and helpful explanations about the treatment etc. Nothing adverse at all.</p>	<p>Everyone is brill and caring. Thank you.</p>

We continue to welcome your feedback. You may take part in the NHS Friends and Family Test whenever you visit the surgery. Please ask reception if you cannot see any 'Your opinion matters' postcards to complete.
